

RSM100 Large Format & Interactive Display Mobile Cart

For Displays 70" and Larger

Four Display Height Positions

Regardless of whether a 65" or 90" display is installed, achieve the perfect viewing angle by choosing from four height positions.

Configurable Shelves

Choose from multiple shelf options. Flat component shelves can be mounted in front or behind the display and are vertically adjustable. Side shelves are vertically adjustable, can pivot from front to back and retract for storage. Adjustable top shelf is ideal for a speaker or video camera.

Heavy Duty Rubberized Casters

Improve mobility and stability even on rough surfaces such as concrete and asphalt.

Optional Back Cover

For clean and tamper-proof installation of components the optional panel and back cover provide a practical and aesthetically pleasing way to attach components such as media players and cabling.

Integrated Cord Management

Through-column cord management for a clean installation. Also includes cord wrap claws, capable of storing up to 50' of heavy gauge cord at the base.

Supports:

RSM100

The base model includes lockable tilt brackets with built in dual keyed locks. Features through-column cord management, cord wrap brackets capable of holding 50 feet of heavy gauge extension cable, heavy duty rubberized casters and removable handles for ease of mobility.

Optional Accessories

MPC9

Back Panel and Cover System

Perforated back panel allows easy attachment of components and convenient cable management. Back cover keeps components out of sight to prevent unwanted tampering. Cover can be lifted after installation for easy access to components. Security screws are included to prevent removal in the field.

MS9B

Front/Back Shelf

Heavy duty shelf can be installed either on the display side or behind the display. Continuous vertical adjustment with 50lb capacity.

MS9S

Side/Laptop Shelf

Installs on either right or left side. Continuous vertical adjustment. Retractable for transporting and storage with 35lb capacity.

MS9T

Top Shelf

Vertically adjustable top component shelf. Ideal for placing a speaker or camera for video conferencing.

RSM100 Large Format & Interactive Display Mobile Cart For Displays 70" and Larger

Heavy duty mobile cart for extra large displays is compatible with Microsoft Surface Hub. Add component shelves as needed to customize your solution. Side shelves are designed for heavy use of presentation laptops and can be vertically adjusted without the use of tools as well as swiveled continuously up to 45° in front or behind the display. Side shelves also easily retract for transport and storage. The solid front/back shelf can be mounted either in front or behind the display at any height position.
