

Multi-Display Carts

Heavy Duty 2x2 and 3x3 Configurations

for 37" - 63"+ displays

Smooth Mobility

Heavy duty rubber casters that enable smooth and agile mobility, easily fitting through doorways, hallways and other tight spaces.

Easy Leveling and Display Placement

Aligning the displays is easy with the post installation leveling mechanism. Simply adjust the leveling screws for each display to level and eliminate gaps. The heavy duty click in place latch mechanism makes hanging and removing the display a breeze. Latch can be locked down with included securing screw, to prevent removal.

Complete Solution

Choose from our 2x2 or 3x3 multi-display carts which come complete with everything needed to hang displays. Ships in standard-size shipping boxes, making it both economical to ship and easy to handle on the job site.

Cord Management

Through-column cable routing with access on uprights, below each mounting bracket for uncluttered look.
