NEW Robust Series Tilt mount for large-format 70 to 90" displays with triple stud mounting. Tilt mount with triple stud mounting that facilitates the most secure installation possible for heavier large-format 70 to 90" displays. Includes a horizontal slide mechanism that helps center the display on the wall as well as post-installation leveling that compensates for uneven ceilings and enables a perfectly positioned display. A unique all steel click-in-place feature simplifies the installation by eliminating the need to reach up behind the display with a wrench or screwdriver to secure or remove it.
